It is agreed that the laws of Arizona & Colorado shall govern interpretation of this Agreement,

I (We) agree that the Front Range Agility Team has the right to refuse this entry for any cause, which the organizing committee, in its sole and absolute discretion, shall deem to be sufficient. In consideration of the acceptance of this entry, of the holding of the event and of the opportunity to have my dog(s) participate and/or to be judged, I (we) agree to hold Prospect Parks, Jefferson County & FRAT (including their members, officers, directors, and organizing committee), Dogs On Course in North America, LLC (DOCNA) including its owners, rule committee, members, officers, directors, agents and employees, sponsors of the event, owners of premises upon which the event is held, and their employees and agents, harmless from and against any and all claims for loss, damage or injury which may be alleged to have been caused, directly or indirectly, to any person, animal or thing by the act of this dog(s) while in, near or upon the event premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim, loss, damage or injury. The person who signs this agreement represents that he/she is authorized to enter into this agreement on behalf of both exhibitor and the owner of entered dog(s). In consideration of acceptance of this entry and for other good and valuable consideration, I (We) further agree as follows:

As used herein "DOCNA" means Dogs On Course in North America, LLC, its owners, rule committee, members, officers, employees, show chairs, show committees and agents. Handlers/Competitors/Exhibitors/Owners, agree to abide by the rules and regulations of DOCNA and any other rules and regulations appearing in the premium for this event.

I (We) further agree to hold the aforementioned parties harmless from and against any and all claims for loss of this dog, by disappearance, theft, death or otherwise, and from any and all claims for damage or injury to the dog, whether such loss, disappearance, theft, damage, or injury, be caused or alleged to be caused by the negligence of the parties aforementioned, or by the negligence of any other person, or any other cause or causes. Further, I (we) recognize that there are inherent risks, to both dog and handler, in the sport of dog agility, and I (we) expressly assume all such risks to myself/ourselves and to our dog(s).

Handlers/Competitors/Exhibitors/Owners acknowledge all hazards and I (We) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from and against any and all loss and expense (including, but not limited to, legal fees) by reason of the liability imposed by law or otherwise upon any of the aforementioned parties for damage because of bodily injuries, including, but not limited to, death at any time resulting therefrom, sustained by any person or persons including myself (ourselves) or on account of damage to property, arising out of or in consequence of my (our) participation in this event, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or may have been alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or any other persons.

DOCNA assumes no responsibility for local site conditions, including, but not limited to, such things as: the conditions of the floors, ground, soil, agility field or ring(s), fences, gates, stalls, bathrooms, stairways, hallways, lighting, structures or any other part of the facility(ies); security measures or lack thereof; electrical plug-ins, receptacles, or appliances; show rings and equipment used in fencing the rings; parking areas and drives; agility obstacles; air or water quality; and the presence of unfamiliar animals, people, sights, sounds, smells and/or any other condition(s).

ASSUMPTION OF RISK, STATEMENT OF RESPONSIBILITY & WAIVER OF LIABILITY

I (We) understand that agility is an activity that is held in the presence of other dogs, their owners/handlers and other spectators and pets. I (We) also understand that the participation of my dog(s) and myself in agility will require physical activity on my part and on the part of my dog(s). I (We) also understand that this activity will involve, among other things, running, jumping, and the use of obstacles, including, but not limited to, tunnels, scaling planks, jumps, and tires which could result in injury to me, to my dog(s), or others. I (We) represent that I am in good health and my dog(s) is in good health and we are both in good and sufficient physical condition, and fully able to participate in the sport of dog agility. I (We) further represent that my dog is friendly and not a hazard to persons or other dogs and has never exhibited aggressive behavior toward people or any other dogs; **that I am participating at my own risk**; and that I will not hold the trial club/group or any committee member, nor DOCNA liable for any loss, liability, claim, injury, illness, expense or other hardship that may arise in connection with my participation and/or my dog's participation in the activity. It is expressly understood and agreed that every dog participating, including, but not limited to, my dog(s) is in the care and custody and control of his owner or handler at all times on the premises. I further agree to assume full responsibility and liability for any and all injury, liability, claim or damage caused in any way by my dog(s) or myself. Any competitor/exhibitor whose dogs and/or children create unnecessary disturbances or engage in unsafe or disruptive behavior, may, at the sole and absolute discretion of the Trial/Show/ Committee, be required to leave the show site. In such case, no refund of any fees, costs or expenses paid or incurred will be made, nor will I (We) make any claim there for.

The club or group or DOCNA will not be responsible for any loss, claim, liability or damage to any dog competing; or for the possessions of any competitor whether the result was by accident, negligence or any other cause.

Collars – Beginning March 2, 2015 - Collars will be permitted on the course only in the following circumstances:

- Outdoor trials – **Beginner Level classes only** (Collars **must** have appropriate ID on it)
- Under special circumstances a handler not in Beginner events may approach the Judge to ask for permission to use an appropriate collar – Judge's discretion.

I (We) understand that in choosing to run with a collar, a quick release collar is suggested. Acceptable collars may be flat or rolled collars with a buckle or plastic release clasp. It is acceptable to keep tag bags that contain license tags and owner information on a collar as long as it fits securely on the collar. Collars with dangling tags, martingale type loops, halti's, gentle leaders, harnesses, and any electronic training devices (shock, bark, pinch, citronella, etc) will not be allowed in the ring. I (We) understand that DOCNA **leaves it to the discretion of the exhibitor in the Beginner Classes at Outdoor trials as to whether or not they would like to leave a collar on their dog during competition. For the purposes of safety, DOCNA strongly recommends that dogs run WITHOUT a collar.** There have been documented cases of dogs getting collars stuck on jump stanchions, contact equipment hinges and/or other equipment or obstacles. If you choose to run with a collar, you do so at your sole risk.

It is agreed that the laws of the State of Arizona shall govern the interpretation of this Agreement.

In addition, I have read ALL the information in this premium, including the information pertaining to Walk thrus, and by signing the entry form understand it is my responsibility to be available for all walk thrus.

Competitors through submission of entry, acknowledge that they are knowledgeable of DOCNA rules and regulations and agree to abide by these rules and those of the club/ group hosting this trial.

The Select Division is somewhat less demanding than the Competition Division. Jump heights are reduced to 4", 8", 12", 16" and 20" in the Select Division. No Double Jumps. Standard course time for the Select Division will be 15% more than the Competition Division standard course times in each event.

Entry Eligibility - Any physically capable dog over the age of 12 months may enter the Select Division.

Veterans Division

The Veterans Division is for those dogs that have reached 7 years of age, but are still physically capable of doing competitive agility or dogs being handled by anyone 60 years of age or older. Jump heights are 4", 8", 12", 16" and 20" in the Veterans Division. No double or triple jumps may be used. Standard course time for the Veterans Division will be 20% more than the Competition Division standard course times in each event. Please see rules at www.docna.com for special circumstances for jump heights called *Veteran Dog Opportunity.

Entry Eligibility - Any physically capable dog 7 years old or older or any physically capable dog that is handled by a competitor that is 60 years old or older may enter the Veterans Division.

Grand Veterans Division

The Grand Veterans Division is for those dogs that have reached 10 years of age, but are still physically capable of doing competitive agility or any handler 60 years old or older handling a physically capable dog 7 years old or older. Jump heights are reduced to 4", 8", 12", and 16" in the Grand Veterans Division. Competitors/handlers entering the Grand Veterans Division must choose to jump their dog at least 4 inches lower than their Select/Veteran jump height. Standard course time for the Grand Veterans Division will be 25% more than the Competition Division standard course times in each event.

Entry Eligibility - Any physically capable dog 10 year old or older or any handler 60 years old or older handling a physically capable dog 7 years old or older may enter the Grand Veterans Division.

Junior Handler Division

The Junior Handler Division is geared towards encouraging younger handlers to be involved in the sport. Jump heights are reduced to 4", 8", 12", 16" and 20" in the Junior Handler Division. No double or triple jumps may be used. Standard course time for the Junior Handler Division will be 20% more than the Competition Division standard course times in each event.

Entry Eligibility- Any physically capable dog handled by a competitor who is between the ages of 7 and 16 years of age may enter the Junior Handler Division.

While we generally believe that 7-8 years of age is the optimal age for a handler to start competing, we also recognize that there are some exceptional kids who may be ready to compete earlier than 7 years of age. Competitors who are younger than 7, but have titled a dog in another venue may also enter this division. In addition, any parent/guardian who feels strongly that their child is ready to compete may contact DOCNA (www.docna.com) and provide information on age of child, training that their child has done, experience of their child, experience of the child's dog, etc, and DOCNA will review the situation and approve on a case by case basis. Juniors (ages 7 and older) may compete in other divisions and will be given same SCT as posted.

Physically Challenged Dogs

Physically Challenged Dogs mainly includes, but is not limited to, canine amputees, visually or hearing compromised dogs. Our primary concern is for the safety of the dog. We acknowledge that canine health encompasses both the physical and the mental aspects of life. Physically challenged dogs that may otherwise be in good health and that display the desire and ability to safely execute required obstacle performances are welcome to enter and compete.

Entry Eligibility:

Canine amputees should acquire a letter from their veterinarian stating that the dog is capable of competing in agility and that the dog will not likely suffer any long term affects above and beyond what might be normal for dogs that engage in this sport. The letter should be available on request for view by the judge or trial committee. A judge and/or trial committee reserves the right to excuse/dismiss a dog from competition that appears to be in obvious pain or discomfort and/or to designate that a dog be limited to specific classes and/or be placed under a jump height restriction. The owner of the dog may appeal a judge's/appointee's trial decision to the DOCNA offices for a binding ruling.

DOCNA supports the desire of these dogs to play in agility and allows these dogs with the opportunity to earn qualifying runs and titles, but placements are not appropriate in this category. Dogs competing at a jump height lower than the official jump height for their size may not achieve a placement over a dog jumping at its correct jump height.

For Physically Challenged Dogs competing in the correct division and jump height that have visual or hearing challenges but have demonstrated the ability to perform at a higher level by either having competed in another venue or have completed training that establishes the team as safe to compete physically at a higher level are approved to compete in the division that they are eligible for and will compete with dogs in that Division and Height.

Disabled/Handicapped Designation

Dogs On Course in North America, LLC is providing a special designation for disabled/handicapped exhibitors. Such exhibitors will be allowed extra time for qualifying purposes only. There will be a place on the entry form to designate this category. When entering as a disabled/handicapped handler, it is required that you enter all events with this designation. Dogs entered with handlers in this category will still be placed with the dogs jump height. The best time/most points will always place higher. **DOCNA trusts that only exhibitors who have documented medical conditions will enter this category.**

Disabled/handicapped handlers will receive additional time in titling events.

LEVELS

Beginner

The Beginner level is the first experience level in all divisions. Its purpose is to offer a successful experience and a reasonable level of challenge for the beginning dog.

Within each division and titling event, the Beginner level is open to any dog that is at least 12 months old who has not recorded a qualifying round in the Specialist level for that titling event. Dogs may move back one level but not two (you cannot move to beginner level in any titling event after achieving a qualifying round at the specialist level in that same titling event). Dogs may not move up to the Intern level until they have earned a certificate of merit (title) for that titling event (exception is the experience grand-fathering clause if applicable).

Intern

The Intern level is the middle experience level in all divisions. Its purpose is to offer challenges that demonstrate dog responsiveness on obstacles and competitor confidence with a variety of handling techniques at a greater rate of speed.

Within each division and titling class, the Intern level is open to any dog that has earned a certificate of merit (title) at the Beginner Level for that titling event and is at least 15 months old. Dogs at the Intern level may move back one level to Beginner if it is desired. Dogs may not move up to the Specialist level until they have earned a certificate of merit (title) for that titling event (exception is the experience grandfathering clause if applicable).

Specialist

The Specialist level is the top experience level in all divisions. Its purpose is to offer ****advanced**** agility challenges that require a variety of handling techniques and demonstrate dog and handler teamwork at the highest rate of speed.

Within each division and titling event, the Specialist level is open to any dog that has earned a certificate of merit (title) at the Intern Level for that titling event and is at least 15 months old. Dogs at the Specialist level may move back one level to Intern if it is desired, but they may not move back more than one level (to Beginner).

Jump Heights & Measuring

Owners are responsible for entering the proper jump height division. Measuring will be from 3pm to 5pm on Friday if the judge arrives in time, and 6:30 to 7:30 on Saturday and Sunday. Dogs entered requiring measuring must be available for measurement **BEFORE** 7:30 am. Any dog that measures within ½ inch of their jump height cutoff will require an official measurement by the show judge of record in order for the dog to be allowed to compete unless the owner/handler can show that they have completed the requirements of the measurement form or obtained a permanent height card from DOCNA.

Jr. Handler Program Up to Age 16	Jump 4"	Jump 8"	Jump 12"	Jump 16"	Jump 20"

There are five (5) jump heights in the Competition Division; they are 8", 12", 16", 20", and 24".

Select, *Veterans, and Junior Handler's Divisions jump heights are 4", 8", 12", 16", and 20". Grand Veterans jump heights are 4", 8", 12", and 16". (see full rules at www.docna.com page 10) * It is important veteran handlers view the rule pertaining to Veteran Dog opportunity.

*Veteran Dog Opportunity

DOCNA recognizes not all veteran dogs will age at the same level; some dogs may require additional assistance as they grow older. Those Competitors/Handlers entering the Veteran Division that feel their dog may require additional time and that a lower jump height would be in the best interest of their dog and are not using this assistance just to obtain a competitive advantage, may choose to jump their dog 4 inches lower than the official Veteran Heights.

In determining the jump heights of the Grand Veterans Division, DOCNA where possible has given the Competitors/Handlers entering the Grand Veterans Division the opportunity to jump their dog as close to 50% of the dog's measured Competition Height.

Handler's may always choose to jump their dog higher, but will be placed and have the Standard Course Time (SCT) of the dogs in that higher height. The following heights are not available to move up to in DOCNA jump heights: Select 24 inch, Veteran 24 inch, Grand Veteran 20 inch and Jr. Handler 24 inch.

If a handler chooses to have a dog jump higher than his measured/registered jump height the equivalent Competition Jump Height for that new chosen height is used. For example a dog measured to run 16 inch in Competition runs 16 in select instead of the usual 12 -- the SCT used will be the SCT for the 20 inch height. (Measured Competition Division Height + 4) SCT + XX% (Division) = time

If a handler chooses to have a dog jump lower than his measured/registered jump height as allowed in Veterans only, the equivalent Competition Jump Height for that chosen height is used. For example, a dog measured to run 16 inches in Competition runs 8 in Veterans instead of the usual 12 -- the SCT used will be the SCT for a 12 inch dog.
(Measured Competition Division Height - 4) SCT + XX% (Division) = time

Description of Events being offered

Standard Agility Event - Standard Agility will challenge the handler /dog team with both work away sections and close proximity handling challenges. The handler/dog team must demonstrate the ability of the team to perform a variety of obstacles on the course while working as a smooth functioning team. All obstacles must be performed without fault and the team must meet the Standard Course Time requirements of the division and level.

Jumpers - Jumpers is an opportunity for the dog and handler team to maneuver through a course of jumps at a very fast pace. The only obstacles on a Jumpers Course are JUMPS. Jumpers Courses will challenge the handler /dog team and have both work away sections and close proximity handling challenges.

Traditional Gamblers - Traditional Gamble is an event that allows the handler/dog team to plan their own course, obtaining points along the way for completing obstacles up to 2 times each successfully for the specified opening period of time. At the end of the point accumulation period, the dog must successfully complete a work away challenge (gamble) at the required distance for level and division, and then stop the clock for time. The handler/dog team must be successful in both parts of this event to qualify.

Strategic Time Gamble - Strategic Time Gamble is an event that allows the handler/dog team to plan their own course, obtaining points along the way for completing obstacles up to 2 times each successfully. There are two (2) parts to this event, a point accumulation period (opening) and a strategic gamble period (closing); the handler plans a course that will allow the dog to cross the finish line at as close to maximum time without going over. The handler/dog team must be successful in both parts of this event in order to qualify.

Snakes N' Ladders - Snakes N' Ladders is a strategic game that has tunnels, contact equipment and weaves. The weaves requirement at the beginner level includes 3 sets of 5- 6 weave poles. At the Intern and Specialist Level the competitor is required to perform 1 set of 10-12 weaves, and 2 sets of 5- 6 weave poles. The handler strategically plans their course, with the goal being to complete all the contact and weave obstacles and cross the finish line as quickly as possible. **All dogs must start at the Beginner level in the Snakes 'N Ladders.**

Trigility - Trigility is a team strategy game that tests the agility ability of the 3 members of the team to complete 3 types of agility on a regular agility course. The goal is to complete all 3 courses in the shortest amount of time and to have one team member successfully complete a mini gamble test. **All dogs must start at the Beginner level in Trigility. TRAINING IN THE RING IS NOT ALLOWED IN TRIGILITY.**

When entering Trigility, keep in mind that it is a team sport and as a competitor, you have an obligation to run and not let your teammates down by training in the ring or by scratching except in the event of an illness or injury. By entering this class, you are agreeing that your dog is reasonably proficient enough in agility to be able to negotiate a 9-10 obstacle sequence on a beginner level jumpers or standard course with two other dogs/handlers in the ring with you. You also understand that if you enter as a draw, you may be running with a dog and/or handler that is brand new to the sport of agility.

North America Challenge Event – Championship Qualifiers - This is a special agility run that is scored under the same rules and SCT as Standard Agility with the exception that an off course will be judged as an elimination. In order to qualify for the 2018 DOCNA National Championships event, competitors will be required to earn one (1) North America Challenge qualifying round with a maximum of 12 faults (or less) between **June 1, 2017 and August 1, 2018**, and in addition they must have competed in a DOCNA Sanctioned Trial between **August 1, 2017 and August 1, 2018**.

For anyone entering the North America Challenge, Dogs that are competing DOCNA Specialist Standard, or in Standard Agility at the Elite Level in NADAC, Masters or Performance III in USDAA, Excellent in AKC, Level 5/C in CPE etc, must enter the North America Challenge at the Specialist Level in the Division they are choosing to run in Competition, Select, Veteran, Jr. Handler or Grand Veterans. All other competitors should enter at the Intern Level (this includes beginners).

The cutoff date for qualifying for the 2016 championships is **August 4, 2017. Dogs that have not obtained the one NAC during the specified period (14 month time span) are not eligible to enter any runs at the championships, this includes regional events (jumpers, gamblers, standard, snakes n ladders, trigility), national event NAC or pre-championship warm up if one is held.**

All other competitors should enter at the Intern Level (this includes beginners).

The handler will then *enter the Division they are choosing to run in Competition, Select, Veteran, Jr. Handler or Grand Veterans at the Intern level.*

COLLARS IN THE RING

Collars – **Beginning** March 2, 2015 - Collars will be permitted on the course only in the following circumstances:

- Outdoor trials – **Beginner Level classes only** (Collars **must** have appropriate ID on it)
- Under special circumstances a handler not in Beginner events may approach the Judge to ask for permission to use an appropriate collar – Judge's discretion.

I (We) understand that in choosing to run with a collar, a quick release collar is suggested. Acceptable collars may be flat or rolled collars with a buckle or plastic release clasp. It is acceptable to keep tag bags that contain license tags and owner information on a collar as long as it fits securely on the collar. Collars with dangling tags, martingale type loops, halti's, gentle leaders, harnesses, and any electronic training devices (shock, bark, pinch, citronella, etc) will not be allowed in the ring. I (We) understand that DOCNA **leaves it to the discretion of the exhibitor in the Beginner Classes at Outdoor trials as to whether or not they would like to leave a collar on their dog during competition. For the purposes of safety, DOCNA strongly recommends that dogs run WITHOUT a collar.** There have been documented cases of dogs getting collars stuck on jump stanchions, contact equipment hinges and/or other equipment or obstacles. If you choose to run with a collar, you do so at your sole risk.

Measurement Process/Permanent Height Cards

Competitors must complete the requirements of the measurement form as stated below **ALL** dogs must complete the measurement requirements. DOCNA does not have specifically designated measuring judges; any judge can sign a measuring form. All dogs must be over two (2) years old to receive the final measurement and permanent height card.

STEP ONE: HAVE YOUR DOG MEASURED AND YOUR MEASUREMENT FORM SIGNED

- The judge will sign the form as complete if your dog is over 2 years old AND
 1. your dog measures in the top height category (over 22") OR
 2. your dog measures under ½ inch or more from the cut off.
- If your dog measures at ½ inch or less from official cut off, you must obtain three (3) judge's measurements that state the exact measured height of the dog. After you have obtained three measurements and your dog is over 2 years of age, the judge will sign your form as complete.
- Dogs that complete measurements prior to two years of age will obtain the 3rd measurement after they turn two years of age, at which time the judge will sign your form as complete. Prior to turning two, you may use this form with two (2) signatures at check in.

Optional Methods: Acceptance of Jump Height Cards From Other Organizations

These options are only available for dogs over two years of age– Pick one option only:

One (1) measurement by a DOCNA judge is required to fulfill the measurement process.
- Option 2: Permanent height card, jump height form, card, or database subscriber information specifies the exact measured height of the dog (example 20.75 inches). At measurement, you may present a copy of the above documentation along with a DOCNA measurement form. The judge will complete the form with the information supplied (no measurement will be required) **but the dog must be present when using this option.** (Information from multiple organizations may be combined)

Collars in the Ring
Dogs on Course in North America, LLC
P.O Box 83238
Phoenix, AZ, 85071-3238
<http://www.docna.com>

March 2, 2015 – Collars, **WITH APPROPRIATE ID**, will be permitted on the course only in the following circumstances:

- Outdoor trials – **Beginner Level classes only**
- Under special circumstances a handler not in Beginner events may approach the Judge to ask for permission to use an appropriate collar – Judge's discretion.

The purpose in allowing collars in the ring is designed to assist the handler in finding their dog should it escape or wander off from the agility trial.

For safety reasons, all competitors in Beginner events are encouraged to run their dogs without a collar. For those who choose to run with a collar, a quick release collar is suggested. Flat or rolled collars with a buckle or plastic release clasp made of fabric or leather are also acceptable designs.

It is mandatory that any collar worn in the ring have appropriate owner contact info (phone number at a minimum). Acceptable identification examples include an info plaque riveted flat against the collar or info stitched into the collar. It is also acceptable to use tag bags that contain license tags and owner information on a collar as long as it fits securely on the collar.

Collars without acceptable contact info will not be allowed in the ring. Collars with dangling tags, martingale type loops, haltis, gentle leaders, harnesses, and any electronic training devices (shock, bark, pinch, citronella, etc) will not be allowed in the ring. Any dog that runs with an unacceptable collar will be eliminated from the run.

Should a judge feel that a collar does not fall within DOCNA standards or is otherwise unsafe, they will have the authority to request that the exhibitor remove it from the dog or not run.

Infractions

- At no time should a collar be used as a training device at the start line, nor should the dog be dragged to the line by the collar, from the course, or back to an obstacle during training in the ring.
- At no time should a collar be purposely used to hold the dog's front feet up off the ground while entering or leaving the course or to lead a dog back to an obstacle during training in the ring.
- The handler's hand should be free and clear of the collar prior to starting the run.
- Competitors may not use a collar as a holding device, bowling the dog to start by holding the collar.
- In Trigrility, once the dog is finished, you are welcome to hold this collar in a positive manner.

Faults and Elimination

- Any competitor that uses a collar in an unacceptable way will receive a minimum of 5 faults, but may also be eliminated from the run.
- At the judge's discretion, any competitor that uses a collar in an unacceptable way while training in the ring (after the run has been eliminated) may be eliminated for the rest of the day or the weekend depending on the severity of the infraction.
- Any dog that runs with an unacceptable collar will be eliminated from the run.
